Education *Department.*

SIR,

In submitting herewith copy of the proceedings of the Managing Committee of the Commercial School, Bangalore regarding the opening of Advanced Classes in Commercial Subjects in the Government Commercial School, Bangalore, I have the honour to state that there is a demand for the advanced course of studies in the subjects recommended by the Committee and I therefore request that Government may be pleased to sanction the opening of the classes with effect from 1st June 1915.

As regards the extra expenditure required to open the classes the Committee proposes a non-recurring grant of Rs.500 for the purchase of library books and a recurring grant of Rs.500 per annum towards the remuneration to the lecturers engaged for some of the subjects. I beg to point out that there is a provision of Rs.4,000 under "Commercial Schools", Bangalore for paying honoraria for special courses of instruction and that the remuneration proposed may be easily met out of this provision. The sum of Rs.500 required for the purchase of library books can also be met out of the sanctioned grants for 1915-16 by reappropriation. In these circumstances

circumstances I request you to be good enough to obtain early orders of Government on the matter.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector General.
